家長教師會週年會員大會暨聚餐 PTA AGM and Dinner Buffet

週年會員大會已於 2006年10月26日（星期五）舉行，本屆共有 8名家長參選家教會常務委員會。在會上，他們還逐一向與會者介紹自己及參與家教會的抱負。介紹完畢後，選舉在一面聚餐一面投票的輕鬆氣氛下完成。話雖如此，學校對投票過程一絲不苟，除了以不記名投票方式進行選舉外，還劃出兩個指定的區域供兩名家長同時進行投票，更安排學生向合資格的投票人派發選票及指導他們有秩序地前往指定區域進行投票。經過一輪點票後，大會宣佈是屆家教會常務委員會順利誕生。在週年會員大會暨聚餐完成後，常務會旋即舉行第一次會議，即場互選各常務委員會各職位。

The PTA Annual General Meeting and Dinner Buffet was held on Friday, 26 October 2006. Altogether eight parents took part in this year's election of PTA Executive Committee (ExCo). At the meeting, they introduced themselves and their aspirations to the attendants after which the election took place in tandem with the relaxing dinner buffet. The election was conducted by secret ballot whereby two designated booths were set up for two parents to complete their votes at the same time. Well-trained students helped distribute the votes to qualified PTA members and guided them to proceed with the voting. On completion, the meeting declared the satisfactory completion of the election of the PTA ExCo. Soon after the PTA Annual General Meeting and Dinner Buffet finished, the PTA ExCo held its first meeting and members elected among themselves the various posts of the ExCo.

An interview with our new Principal *Mr Nicholas Puiu*

Mr Puiu is one of the first staff to work at the College on the first day it opened. He comes from Sydney, though he was born in the United Kingdom (no wonder he speaks the Queen's English), moving to Australia as a small child. He possesses professional qualifications in Education, specifically Economics and History. Before coming to Hong Kong, he has worked as a Subject Co-ordinator, Year Co-ordinator and Sportsmaster in a number of Catholic High Schools in Sydney. He is interested in Chinese culture which lured him to Hong Kong.

Mr Puiu believes in the College's mission and vision, viz. bi-literate, tri-lingual, creative and international in outlook. With a mix of multi-cultures (Chinese and non-Chinese students are roughly in the ratio of 80% to 20%), the College provides an authentic English language environment. (The PTA ExCo inherits the College's uniqueness. You may be interested to know that all our meetings are conducted in English.) To further broaden students' horizon, study tours to various places are organized each year. While Western students are more self-reliant and creative in their thinking, Mr Puiu finds that Hong Kong students characterize themselves as youngsters who respect authority and value education. The College is keen to blend these qualities by sustaining a learning environment that recognizes traditional Chinese values at the same time encourages creative thinking and self expression.

He reported that the College has not only laid constructive milestones in the past seven years, but also is well-positioned to ride on the new challenges to be brought about by the new secondary school curriculum – most of them are aspects of teaching not acquainted by traditional Hong Kong schools, such as school-based assessment, project work, community service and so on, but have already been a part of the College's curriculum for a number of years. In fact, the College spearheaded further, for example, it has long encouraged the use of Drama, which will be a module within the new English curriculum effective from 2009, as an integral part of the school's activities. He is also delighted to see that the recent developments in Arts and Culture will become core components for providing a balanced education based on encouragement.

Every coin has two sides. The College is not without constraints. Among them, Mr Puiu has advised that as staff wages and general costs are rising, for the first time in eight years, school fees will have to be increased over the next few years. He calls on parents' support in this regard.

For those who hang on till this very last paragraph, congratulations - because of your obvious patience and therefore apparently an exemplary role model, your child is more likely than not that he or she will be successful in future. Mr Puiu has whole heartedly reminded parents that children nowadays have more resources from but less time devoted by their parents. The world is changing and so does Hong Kong, noticeable enough in the past seven years as he observed. He wishes parents to love their children more without spoiling them, with means, for instance. The challenge for the coming generation is for Hong Kong not to lose its traditional Chinese values of family bonds, as the city becomes more prosperous.

委員心聲

早陣子抽空一口氣看完了二十位優秀學生親筆撰寫的文章，當中包含了這班青年人對成長歷程的體會及對學習讀書的心得，最令我難忘的是其中幾位同學抒發了對父母親的感激崇敬，在他們逆境的日子裏，感受到家人對自己深切的關愛及無限量的支持，真摯的文字叫我為這些孩子的父母親感到欣慰及高興。

不盡了解現今的青年人在長大了後會否懂得飲水思源，報答父母的養育深恩，因為我實在探訪過很多有兒有女的獨居老人，他們的傷心際遇足以令我難過上了好一段日子；相信從前的一句：「養兒防老」至今不切實際。

文章內的一位十八歲同學寫道：「兒女要做的事十分簡單，只要將面對電腦與父母的時間比例拉近，增加了解和溝通以鞏固關係。在問自己能為社會付出什麼之前，請先問自己能為父母和家庭做些什麼。」當我幾位朋友不斷地溺愛、縱容她們認為要求合理的孩子時，我實在感到無奈及不解，即使她們還在不斷為子女們解釋，我只看到她們最後還是眼泛淚光，告知我有關子女們態度的惡劣及不敬。

我絕不是個教育專家，但我相信親子關係從來就不是單方面的事情。在我來說，以身作則、言行一致、以友相待、耐心聆聽、設身處地、對事不對人、多欣賞、多溝通及少挑剔才是最好的親子要訣。才當了十四年母親的我，仍努力學習教導兒子及為人母之須知，不同孩子有著不同的培育方法及需要，然而漫長的親子路上每段路途亦都值得回味。

祝願各位家長在新的一年，與子女共同進步，家庭溫馨和睦，日日充滿歡笑！

Love, real love, is the prime ingredient in the recipe for successful child-rearing. Love demands that you do for the child what is the best for the child – not necessary what the child wants at the moment. Children need order in their lives, including a schedule that's centered on positive activities. Eating meals with the family, going to bed and getting up at regular times, and setting aside a definite time to study are important to our kids.

As a parent, it's important that you understand some basic about raising your children. They are all different and special. Some are more personable, and others are more athletically gifted. Some have unusual talents or interests. Some children are simply smarter than others but not everybody can be the smartest in the class. However, if we praise our children for effort instead of bragging on them for being smart, they are far more likely to perform better in school.

I always love to hug and kiss my son, even he is going to be 14, we still hug a lot. For most of the Chinese, they think it is better not to show the genuine affection to their children in the public or at home, but I am so happy to receive his big hug and kisses every night before he goes to bed. The most beautiful words from my boy is 'Mom, I love you!' I hope you also enjoy being kissed and embraced by your children, and remember to tell your kids the key words: Baby, I Love You !!

很高興今年能再度成為家長教師會委員會成員，其望在今年工作中能將過去的經驗和其他成員分享。在新的委員會成員中。有一外籍家長加入，在傾談中他亦希望能透過自身參與，把外籍家長心聲帶進家教會，促進家校、社區共融，這亦是李國寶中學的辦學理念。來年學校在校政管理，領導層改變（如新校長履任）都將會為學校帶來新景象，期望家教會都能積極參與，為學生創立一理想學習環境。

I'm glad to be re-elected as the PTA Executive Committee Member for another term. I hope I can share my past experience with the new members in the committee. I'm most happy to see a parent from other Ethic group joining the Committee. Through our conversation, I leant that Mr Azeef would like to bring in the opinions of the parents of other Ethics group. This may help promoting the school and community unification. This is also the objective of the School. There are some changes in the school, like the establishment of the Incooperated Management Committee, new Principal, which may bring in new ideas and new vision. I hope the PTA may participate in the changes, and help building up an ideal place for study for our children.

自去年，我通過參加家教會安排之親子活動和茶聚，學會了很多與女兒溝通的不同技巧，令我們的關係更加親密。

「心心相印」，除了描寫兩情相悅外，我也時常開玩笑地用它來形容我與女兒溝通之道，因一切從「心」出發。我總要「耐心」和「專心」地聆聽她說話及心中的聲音，「細心」觀察她行為及心理上的變化，和極「愛心」地關懷她。而最開心的時候就是看見她也學會這些，同時偶然用此回向給我以至別人。

衷心感謝歷屆家教會各老師、家長委員的努力和付出。使家教會成為一個方便平台，供學校和家長們溝通和合作，給子女們提供一體化的學校、家庭教育。同時誠心邀請家長們加入這大家庭，積極參與，和你們的子女、學校一齊成長。

在一次家長研討會中，分享了這首很有意義的英詩。它不但道出我們與子女關係的期望；更點出了達成期望的要訣。就只欠身體力行，而參加家教會是其中一個最佳的起步點。

轉瞬間成為家長教師會委員已三個多月。雖然我的工作非常繁忙，但每次開會看到校長的全力支持，各位老師的熱心工作，主席的能幹領導及各委員的投入工作下，驅使我更加積極參與。然而，單憑我們的力量未免有限，缺少家長們的參與是不能把事情做得更好。衷心希望更多家長加入我們的義工團隊，為我們子女就讀的學校作出貢獻。

Time passes quickly, I have been a member of the Executive Committee of our Parent-Teacher Association for more than three months. Though my works are really busy, I am working very positively especially when I see the Principal's full support to the PTA, the teachers' enthusiasm to the work, our chair lady's ability to lead the team and the Executive Committee members' devotion to make their contribution. However, without parents' participation, it would not be good enough as we only have limited strength. For the better future of our children, we sincerely hope that more parents could contribute to the school by joining our voluntary work group.

時間過得很快，自從兒子在去年九月升上中學後，便感覺到自己又到了人生的另一個階段，除了年紀有少許增加外，人生的閱歷亦增添了不少。自中學畢業後，由服務教會開始，到參加兒子小學的家長教師會及其它組織，近年的生活可謂十分忙碌亦多姿多彩，差點兒連賺錢生活的概念也忘記了。今年，很榮幸能夠在李國寶中學家長教師會服務，希望這顆服務別人的心，能夠延續。

First of all I am happy that my son got admission in HKMA and it is my pleasure to join in the PTA.

In this column, I would like to appeal to non-chinese parents to involve in PTA.

I love to work for the children, because they are our future.

您好！我叫葉紫珊，是一名立法會的全職僱員。我的工作，一字記之曰——忙，無法啦，因為在香港發生的事幾乎都與立法會有關。我有兩名女兒，大女兒在加拿大多倫多讀書，小的是鄭樂然，就讀1B班。兩名女兒就讀小學時，我也是她們學校家教會的委員。我的動機很簡單，因為我愛我的女兒，所以我願意付出一些工餘時間加深對她們學校的了解。家教會也是建立家長網絡的有效渠道。歡迎您加入我們的大家庭！

Hi! My name is Guy YIP. I work full-time at the Legislative Council. It is a very demanding job as nearly everything happens in Hong Kong is somehow connected with the Council's business. I have two daughters. My elder one is studying in Toronto of Canada. My younger one is Ivy Cheang who is a student of S1B. I have been a member of the parent-teachers associations of my daughters' primary schools. My motive for joining the PTAs is simple - I love my daughters and am willing to sacrifice my spare time to know their schools more. It is also a good way to build up a network with other parents. You are more than welcome to join our community!

常常有學生問我為何選擇做老師。可能我受過嚴肅的中學教育，凡事講求‘意義’，很早就唸過「師者，所以傳道、授業、解惑」，因此視為人師是挺有使命的事業。

老師每天都是追隨時間表生活的，所以沒有鐘聲時，特別喜歡外遊。我也愛尋找大地，體味創造的深雋，釋放沉潛的執著，呼吸自在，重新得力。

我曾因為老師的工作忙碌，回家仍要批改而忽略家人，幸而孩子平安成長，這是上帝的賜福。

我不單有一個孩子，我有許多的孩子，他們常常記起我，假期回到學校打招呼、從外地帶回禮物，甚至老遠從外國致電來分享生活感受…。

做老師，我不後悔，因為賺很多的，不是金錢，是情份。

大家好! 十分榮幸能夠成為新一學年的家長教師會委員。家長教師會是學校與家長一重要的溝通橋樑，能夠成為其中一位委員，我感到十分高興亦自覺責任重大。

今年是在李國寶中學的第6年了。我十分享受在這裡的教學生活，一方面能和一班有著同樣理想的同事一起工作，另一方面我更享受和珍惜與同學們的融洽關係。

在學生成長學習過程中，學校和家長的配合尤其重要。請各位家長踴躍參與家教會舉辦的活動，與子女共同成長!

愛，仿似很抽象，但在子女心中，愛其實很簡單——

一個擁抱、
一次遠足、
一次共膳、
一次親吻、
一句「我愛你」、
一個簡單的短訊、
一會睡前的談話、
一句稱讚的說話、
一句問候的說話、
一句安慰的說話（當子女做得不好時）、
一次耐心回答子女的問題……
就已足夠。

愛，並不是父母給予子女有幾多的物質生活、課外活動或遊戲機，而是父母親的真摯關懷。要令子女感受到父母的愛，是需要用時間去栽培的。中國人較含蓄，父母羞於公開表達「我愛你」，長遠會令子女不懂表達愛，可能影響其成長的人際關係。

新年新希望，祝願天下父母了解子女心，天下子女明白父母恩。

很高興可以連續五年為學校的家教會服務。在這段期間，我在工作上認識了很多子女在不同級別就讀的家長委員。這些家長都十分關心子女，尤其希望了解子女在學業和交朋結友方面的情況。

我覺得家長委員為家教會花費心力和時間，一方面代表他們願意承擔，敢於為其他人付出精神和謀求福利，另一方面亦代表他們對子女的關心和愛護。學校每年都可以得到一群這樣的家長的支持，實在是十分值得我們高興的事情。

愛在香港的日子

撰文：丁洁老師

我是上海人，來港之前一直任教於上海市世界外國語中學，是一名中國語文科教師，2004年開始於該校境外部嘗試教授對外漢語課程。

由於香港專業管理協會李國寶中學與上海市世界外國語中學作為兩所姐妹校，多年來一直都保持著傳統友誼，彼此間協作學習。近年來更是開展了各類學生互訪及遊學活動，增進了滬港兩地青少年之間的友誼與相互了解。早在2005年，兩校校長就曾商談互派教師交流教學事宜，可惜由於入境簽證等種種原因一直未實現。2007年我幸運地獲得香港入境署許可，才得以來到本校交流教學一年。有機會了解學習李國寶中學的專業教學管理經驗，能夠結識到一批敬業出色的香港教師與眾多學生，與我而言，這樣的緣分實屬難得。

現在我與學生的日常交流基本無礙，可見學校推行的兩文三語教學政策是相當有益的。但若論到會話的流暢度，則因人而異。有些同學本身對普通話有一定興趣，又常常來「文軒」找我聊天交談，故而表達愈加流利。

香港人學普通話較大的困難可能在於四聲和平翹舌音的區分，多爭取機會開口交流是學習語言的好方法。不用怕說不好或是發錯音，我時常在購物場所，會遇見一些店員即便發音不准也極力開口，還誠懇問我詞語的正確讀法。他們這種善於把握學習機會的品質值得同學們效法。學生是有權嘗試與犯錯的，只有戰勝羞澀，勇敢張開口才有進步提升的可能。

我很喜歡香港的蓬勃與活力，便捷的生活設施和璀璨靚麗的海港夜景。然而，最最感動的是周圍同事對我的照顧與幫助。初來香港，難免有不適應之處，然而學校裏每位同事、工友都對我非常熱情友善，主動與我交談、陪我逛街，指點工作、生活細節，使我在短時間內良好適應，對此我心存感激。

目前為止沒有什麼地方令我感到不喜歡。但是身為一名教師，我希望家長能在緊張繁忙的工作之餘多關注孩子的身心成長，不止單在物質上滿足孩子的需求，而是能配合學校共同承擔起教育的責任，培養學生樂觀積極的求學品質以及對他人的理解與尊重。

我性格喜靜，獨自在家，音樂與閱讀是排遣寂寞的最佳方式。也時常會去圖書館借閱各類文化書籍，尤其是介紹香港地方特色的讀物，好像《香港街市文化》、《香港特色建築》、《香港味道》等等，讀完後再一一去實地參觀考察。上個周末我就乘開放日去參觀了前任行政長官辦公處，香港公園、香港大學附近一帶也是我喜歡的去處。我發現香港各處的公共標示都做得清晰詳盡，走到那裏都不用擔心迷路，即便真的迷路了，也常會有意想不到的收穫。

用行走的方式去了解一個購物天堂以外的香港，用眼、用心、用足跡去見證在香港的日子，這樣的生活，我一會兒都不感覺孤單。

新的一年，我首先希望能順利完成工作，希望有更多學生能掌握並熟練運用普通話，對祖國文化有更多了解。其次，希望自己與家人都能健康愉快。當然，也祝願李國寶中學的每一位師生、家長教師會的各位成員都能平安幸福，新春快樂！

遠足地點：石澳龍背
日期：2008年1月20日

當日天氣和暖清朗，站在山上遠看優美的景色，實為一種享受。

相信喜愛遠足的家長及同學，對於當日三個多小時的行程都只會感到十分輕鬆自如，不管山路甚樣難行，他們個個都是健步如飛，每段小休時段都不見有喘氣及疲累的狀況出現，這些都叫筆者感到自嘆不如。當日天公真是造美，到達山上看到蔚藍天空及遼闊遠景，感受到的不獨是清涼微風，還有那陣陣山上的香草味，全隊人熱鬧有餘地拍照談天，愉快地就到達了最終目的地。雖然久未遠足的我在當晚一直雙腳疼痛，還被家人笑我是「軟足」高手，但內心卻是高興不已的，因為我知道家長及同學們都很享受整個活動過程，最難得的是見到校長Mr. Pui、李詠儀老師一家人及洪主任抱著幼少女兒齊來支持參與，為我們打氣，陪伴大家登山樂敘了一整個美好的週日早上。

歐醫生給各參加家長展示行程路徑，約三個小時的遠足在藍天白雲的陪伴下展開。

到達港島區的起點，全體師生及家長即跟隨歐醫生的指示下，先來套熱身運動。

手執小汽球的Nicole有點害羞，全程依偎在父親的懷內，山路崎嶇暗斜，健碩的洪主任一直緊抱著小女兒上山，真箇溫馨。

休息期間，高大威猛的校長成了最受歡迎合照對象。

帶備扭計骰的同學不忘在路上來個小比賽。

全場最年輕的參加隊員 - 壹歲多的小Nicole(洪主任女兒)及快四歲的Lam Lam(李詠儀老師女兒)。

四十多人的大合照，個個臉上都帶著歡悅笑意。

Music in Disneyland

On 22nd December, 2007, the Brass Band, Choir and the Recorder Team performed at Hong Kong Disneyland. We were all in high spirits when we got off the school coach and walked to the backstage. In the backstage, a feeling of anxiety and disquietude was in the atmosphere and everyone was either clutching their instruments nervously or clearing their throats. Some Brass Band members were practicing a song called "Santa Claus Comin' To Town" and humming the tune of some other songs to make sure nothing would go wrong in the performance. Pretty soon, it was time to perform! We put on our bright red Santa hats, which was something that made us laugh at one another, and were lead on to the stage. I fingered the keys of my saxophone nervously with my sweaty hands as the announcement introduced us to the audience. When the announcement ended, Mr. Yongyut, the Brass Band conductor signaled for us to start playing. As I started playing, the butterflies in my stomach started to disappear and I started to catch the Christmas holiday season from the songs. After we finished playing our songs, it was the Choir's turn to perform. Their voices sounded very angelic and pure. In fact, the song "Take These Wings" almost made me cry! The Recorder Team's performance was also very gratifying and dexterous. The song "Early One Morning" sounded very lively and cheerful. Soon, the performance ended and the teachers congratulated us for doing very well. At that time, I felt very effervescent and had a feeling of accomplishment.

There are many advantages of learning music. One of the best things you gain in playing music is learning how to work and co-operate with the people around you and understanding the value of teamwork. Take the Brass Band as an example. Team members have to learn to play well with one another and blend in with the music, like playing a song with one voice. Music can also cultivate your feelings and thoughts through all sorts of melodies and songs. Being able to express these feelings can help us to release the pressure from our busy lives and build up happiness and confidence when facing daily challenges. As you can see, many opportunities and chances for you to perform are waiting for you. Why don't you strive hard and try your best to play your instrument? You might even turn out to be a fine musician one day!

二〇〇七年十二月二十二日星期六，我們一家人參加了香港管理專業協會李國寶中學與迪士尼樂園舉辦的迪士尼奇妙音樂日及半天迪士尼樂園遊。大約十時，我們已到了迪士尼樂園。跟着，便看見樂團指揮，老師們帶着一大班學生進入樂園。他們的態度是認真，投入及滿有信心的。

在此，先讓我們在這裏感謝學校給予小女麗而參與是次音樂日的機會，更感謝校長，老師們的悉心指導及帶領。讓他們在是次的迪士尼奇妙音樂日公開表演。既增加節日氣氛之餘，又能提升他們個人的音樂造詣，還增強他們的自信心。

他們在表演開始時，一副滿有信心的小臉孔，使我們也感到有點興奮。表演時，那美妙的樂韻把遠處的遊客們吸引着，近處的遊客們欣賞着。直到表演完畢後，遊客們熱烈的鼓掌聲，更加證明了老師們，同學們的努力成果。真是歡欣之餘，又看見遊客們對這次表演回饋的掌聲，一張張小臉孔流露出歡樂的表情，真是難以形容的。音樂會結束後，差不多正午十二時了，我們一家人在樂園裏的美心酒樓午餐後，便開始半天的迪士尼樂園遊。

香港迪士尼樂園開幕已有兩年多了，我們一家人是第一次藉着是次音樂日到迪士尼樂園遊玩的。除了因生活繁忙外，最重要的是門票比較昂貴，加上在開幕後的初期，入場人數太多，導致處處出現排隊的人龍等負面消息，使我們猶疑未決。直至是次的音樂日，我們決定以行動作為對學校的支持，參加這次樂園半天遊。但是經過這次的遊玩，改變了我們對迪士尼樂園的看法。因為我們一家人遊玩後，共同感受到迪士尼樂園真的帶給我們有意外的驚喜。

校長宴請新舊委員

Dinner with our Principal

2007年12月5日，校長宴請家教會常務委員會新舊委員。校長感謝委員對學校的愛護，期望他們在未來一年工作順利。由於12月6日學校將舉行校董會，晚宴中最熱門的話題是校董會將會討論的火熱議程—加學費！原來，學校自創校以來從來沒有增加學費，但由於近年通貨膨脹，加上政府亦已向2000年7月1日後入職的老師追加薪金，學校必須盡力挽留人才，加人工確是在所難免，而加學費是最具效力解決學校財困的方法。

Mr Pui hosted a dinner to welcome new and farewell outgoing ExCo members on 5 December 2007. He thanked parents for their contributions and wished them a prosperous year. As the College was going to hold its meeting of the Incorporated Management Committee on the next day, its thorny agenda of school fees increase had become the hottest topic during the dinner. Parent members were aware that the College had not increased its school fees since its inception. Due to inflation and the salary adjustment made by the Government to the teaching staff appointed on or after 1 July 2000 in Government and aided schools, the College is facing pressure to retain valuable staff. As increase in salary would be an inevitable solution, so will be the school fees.
